Re: Tax ID #68-0427142

Kelseyville Chiefs Youth Football League is an organization that provides supervised Football and Cheerleading programs that are enjoyable and educational to the youth of the Kelseyville community. Our goal is to teach and promote the ideals of good sportsmanship, personal integrity, and team cooperation. We have a motto of "Leave no kids behind." And our volunteers work hard to provide this with proper instruction of football and cheerleading.

The Kelseyville Chiefs Youth Football League is an organization and is exclusively for charitable, education, or scientific purposes within the meaning of *Section 501 ©* of the Internal Revenue Code. We are a Non-Profit Organization with Tax Exempt Status. Tax ID #68-0427142.

We are asking for financial support of any kind to keep this program functioning at optimal level. The cost of field use, equipment (pads, helmets, uniforms, etc), and operating costs are on the rise. Participation in contact sports are decreasing nationwide at all levels. Programs like the KYFL will need to get creative at financial fundraising and will be reaching out to the community and beyond for support.

A contribution would go a long way in providing equipment for cheerleading and football (helmets, pads, uniforms), sponsorship of children who may not be able to afford the \$150 registration fee, and field costs.

Please help the KYFL Board of Directors keep this program up and running with proper equipment, uniforms, and gear. Any amount of contribution will be appreciated.

Sincerely,

Kelseyville Chiefs Youth Football League
